Artist Profile

Loredana Corbo was born in Rome but she has been living in the Marche region since ever. She has inherited her passion for arts from her grandparent who was a very skilful maker of furniture and, most of all, the founder of “The Professional Training School for Inlaying, Polishing and Carving Wood”.

In the year 1999 she opened her workshop “Arte Idea.” Her works has been admired during many antique and artistic artisanship shows all over the world. Her most precious creations are the collector’s pieces that she reproduces in a limited number once a year.

A stylized, handwritten signature in gold ink. The signature is written in a cursive script, with the name 'Corbo' clearly visible at the top and 'Loredana' written below it, all enclosed within a large, flowing loop.
