

The Partner for your Outdoor Ambiance

cocoon  
concept.

## Outdoor Ambiance Specialist.

For more than 15 years in the Hospitality Industry, we have developed and produced outdoor furniture and accessories with a unique sleek design and long-lasting value.

Our team can help you to implement a complete solution to suit your needs for new developments or renovations. We can work closely with your architect, interior designer, and the engineering departments to achieve your vision. Resourceful and trustable are the keys to a good partnership for your projects.
